# PREACHING PLAN

**SEPTEMBER to NOVEMBER 2015**

*'In the beginning.... GOD'*

# SUPER'S SOAP BOX

***Dear Friends,***

Welcome back to a new Methodist year! We want to especially welcome Revs. Jan Tate and Martin Slocombe to the Circuit as they take up pastoral responsibility amongst us. We also welcome Rev David Hull who is the full time Chaplain at Kingswood School. It is a time of new starts, learning new areas and new people and we pray God's blessing not only upon those three presbyters but also the people they work amongst.

We also have a new President of Conference, Rev Steve Wild. Steve and I go back a few years as he preached at my local preacher's recognition service and brought a mission team to one of my previous churches. We both share a real heart for mission and evangelism and to see God's kingdom grow.

It is on that theme that I step on to my Super's soapbox to support Steve's challenge to the church that in this year each church bring one person to faith. Now he's not talking about receiving someone by transfer from another church or denomination. He's talking about one person coming to faith, having been challenged by the gospel that we are all called to witness to.

Two experiences recently reminded me of how 'easy' beginning that conversation is. First, in June I served as a Chaplain at Glastonbury Festival where I had a number of conversations with people about faith. Second, I sat on a bench on the street outside Midsomer Norton Church after Saturday Night Praise with my cup of tea. Two young ladies who were out for the night came up and we started talking about God and faith. They didn't feel able to come to church but they were very receptive to the sense of God's presence in their lives..even if they didn't quite use those exact words!

In many ways Steve's challenge sets the bar too low. What about the challenge of every member bringing one person to faith this year. Wouldn't that be incredible?

So what are we waiting for? Some people say they don't know what they would say or do and they need to go on a Course. To which I would reply, as Nike would say 'Just do it'...and just as my cup of tea on a bench outside church began a conversation (with prayer as I sat there !) so in the situations you find yourselves, God will guide and lead you through the power of His Holy Spirit for such times.

In my experience of bringing people to faith not only is there great joy for the person coming to faith but also a great sense of blessing for the one bringing the person to faith (through the Holy Spirit!)

Be a blessing and be blessed...Just do it !

Your Superintendent,

*Stephen*
