Christmas with our young
people

The Gingerbread Nativity uses the popular tradition
of making and decorating gingerbread houses and biscuits to
explore the themes of Advent and the story of the first

The young people will bring their findings to us and help us to

Nelson Mandela has inspired millions

'No one is born hating another man because of the colour of his skin, or his background or his religion. People learn to hate, and if they can learn to hate, they can be taught to love for love comes more naturally to the human heart than its opposite.'

A few weeks before he was elected South Africa's president, he spoke at the Eater conference. After reading the Beatitudes he began by praising God for the Good News 'borne by our risen Messiah who chose not one race, not one country, not one language, not one tribe, he chose all of human kind.'

We will be receiving items for Julian House again this year, Please see the list in the vestibule
