

Mission report

Luke 6:38

Give, and it will be given to you. Good measure, pressed down, shaken together, running over, will be put into your lap. For with the measure you use it will be measured back to you."

PSJ Methodist Church has been blessed time and time again by God, we have amazing premises, amazing people with God-given gifts and graces, and we praise Him. We believe fervently that our premises, gifts and graces should be used to serve others, and to introduce people to, and bring them to, the God who loves them so very very much. This is also true in regards to our giving. Yes we need to raise funds to pay the running costs of our chapel and God's mission here, but we also feel so strongly that our giving should be so much wider than that, so.... This is what happened last year...in no particular order!!!

"Advent" in it's simplest form means 'coming' as
in Christ is coming, and for us now He has
arrived. This is referring to His birth in history
and in humanity. It meant the welcoming or the
arrival of a special king and for us; He is our King
of kings. This is what the Old Testament
prophecies foretold concerning Jesus' Incarnation,
the Word made flesh for our hope and Atonement
that brought us our deliverance. Advent represents
our expectation, anticipation, and preparation for
who Christ is and what He has done for us. He
arrived into the world as a human being, being
fully God and fully man. He came to identify as
one of us, as the Son of Man, as a baby born in a
manger. He came for us, He came for you and He
comes into our lives and into our hearts. He is
coming again in great power and glory to bring
His Kingdom into fruition.
