

Please remember in your prayers

Following the election this week, please pray for all those who have been elected to represent the people of the United Kingdom and all those who make the democratic process possible.

Please pray that the political parties will work together for the good of the country and act in ways that will build a society with the common good at its heart.

Please continue to remember in your prayers all those who have suffered as a result of the terrorist attack in London last week. Many of the injured are still in hospital and we pray for the dedication of the medical staff who are treating them.

Please also pray for the members of the emergency services who showed such skill and courage when responding to help others, at great risk to their own safety.

The final total for this year's Christian Aid collection was £1193.13. Thank you!

June Birthdays:
