Toilet Twinning

We all take it for granted having a toilet in our home, some of us are fortunate enough to have more than one, but in many places around the world this is not the case.

By donating £60 we can twin a toilet and help those in desperate poverty to have access to a proper latrine, clean water and the information they need to be healthy.

We've got 3 toilets in the Church and we'd like to have a twin for each of them.

Therefore, we need to raise a total of £180.

For each one we'll get a certificate, complete with a colour photo of its twin. Please donate if you can.

For more information please see Andrew or visit <https://www.toilettwinning.org>
