Father's Day

Father's Day is a special day in which we celebrate the role of fathers and the contributions they make to the lives of their children. The definition of fathers is not restricted to a biological father, it also includes step-fathers, grandfathers, fathers-in-law, male relatives and spiritual fathers.

Praise God, he is our Heavenly Father who will never leave us or forsake us. God is the perfect father and thanks to Jesus' sacrifice, we can know Him personally.
