Church Council – Wednesday 8th February, 7.30pm

The next Church Council meeting will be on Wednesday 8th February (not 5th February as stated in the minutes).

Messy Church – Friday 10th February, 3:30pm – FULLY BOOKED

The next Messy Church will be on Friday 10th February from 3:30pm and is entitled "The Lord is my Shepherd". This is a time for families to have fun and food together while exploring faith through crafts and games. Please note that this session is now fully booked which is amazing, but please pray for everyone involved.

Volunteers required – Life Project

The Life Project are a local Christian charity supporting people with Learning Disabilities and their families. They are looking for volunteers to help run a new Parent Carer support group in our Peasedown/Radstock area. The group is an opportunity for carers to find some space and time away from their caring roles. Volunteers are needed to help run this new group, serving lunch, teas and coffees, running a creche area, and being there to support the parents who come along. The group will be meeting on a Thursday morning from 10am – 1pm at Radstock Baptist Church. For more information, please contact sarahmoxhamhendra@lifeprojectbath.org.uk or visit www.lifeprojectbath.org.uk

Our Church – An EcoChurch

We have been working to obtain the Bronze EcoChurch award and are really close but we need to take one or two actions to get there. The group working on this has lost one or two members and we are looking for people who would be willing to join us and help us move forward to obtain the Bronze award and then, hopefully, the Silver. If you would be interested, then please contact Ian Souter (01761 433251). Please pray for this part of our mission as a church.

The next Repair Café will be held on **Saturday 28th January from 10.00am to 1pm.**

**GREEN
TIPS****Week Commencing Sunday 22nd January**

The earth is a gift from God and we are called to look after it. We are part of the earth too, shaped out of the same fabric. As Christians, we believe that God doesn't just promise life, but life in all of its fullness. We want all of God's created Kingdom not just to survive, but to flourish. Why not take part in the Net Zero in my Neighbourhood campaign? Visit www.jointpublicissues.org.uk/net-zero-in-my-neighbourhood for more details.

Week Commencing Sunday 29th January

Going green doesn't have to be difficult, why not make some simple swaps for 2023? Perhaps use beeswax food wrap instead of cling-film, try a bamboo toothbrush instead of a plastic one or perhaps use reusable produce bags to store fruit and vegetables.
