Welcome

We offer you a warm welcome to worship. If you are new to the church or visiting, please feel free to join us for a cup of tea or coffee after the service.

Movie Night – Friday 17th November, 6pm for Food and 7pm for the Film

We will be showing the film "**Fisherman's Friends**", which is based on a true story about a group of Cornish fishermen who signed a record deal and achieved a top 10 hit with their debut album of traditional sea shanties. We will be serving a supper of Cornish pasties at 6pm. You are welcome to come to both or either, but if you would like supper then please add your name to the list on the noticeboard and indicate whether you would like a meat or vegetable pasty. We will be accepting donations to support our Children & Family Worker.

Christmas Fayre – Saturday 2nd December, 11:30am – 1:30pm

There will be various stalls including cakes, a raffle, books, tombola, bric-a-brac, plus coffee & mince pies and from midday we will be serving soup & roll lunches. We need volunteers to help set up, run stalls, help with lunches and refreshments. We would like donations of items to sell please. We will also be offering table-top stalls for people to sell their own items or crafts, for a small charge. Please see Niki or Nick for more details or if you are able to help.

Bags of Joy & Christmas Shoe Boxes

Annie Trembling from Southdown Methodist Church will be going to Rwanda in the spring to work with a Methodist Church there. Instead of the traditional shoebox collection, we thought it would be a nice idea to provide small fabric bags filled with gifts for the children there. Filled bags can be brought to church during the Advent period. If you would like to include a knitted heart in your bag, Karen has knitting patterns. Also, if anyone can make fabric bags, then please see Karen, as she has patterns for those too!

As some people have already requested shoeboxes, these will also be available during Advent for folk to fill if they so wish for the charity Operation Christmas Child.

Green Prayer from A Rocha UK

This week we lift up the Nature 2030 campaign and the coalition of organisations involved and working tirelessly on behalf of nature. We pray that policymakers take the asks of this campaign seriously. Lord, we know that our natural world is precious but that we are living through a crisis of biodiversity loss. We lament this loss. We pray: let this campaign pave the way for political parties of all hues to put nature restoration at the heart of their policy making ahead of the next General Election.

Green Tip from A Rocha UK

Provide food and shelter for wildlife, now and in preparation for next year. Clean all your bird feeders to avoid the spread of disease to winter migrants and put up a nest box well in advance of breeding season. A nest box could also prove a cosy spot for small birds to spend the night on particularly cold winter evenings ahead.
