Prayer Tree

Our prayer tree is still taking pride of place in the front entrance. There are luggage tags and pens at the bottom of the tree for you to write your own prayer and add it to a branch. As a church family, we encourage you to get involved, but to also take a few minutes to read the prayers that have been added and pray for those too!

Churches take on Plastic

Christians in BANES are going to be challenging the use of unnecessary plastic. All you need to do is to either pick up a copy of template letters from the Church foyer or download them from the Church website and then write to the company concerned asking them to change. Then simply sign on the sheet provided in church. Please will you take action to preserve our Father's amazing creation.

Green Tip of the Week

Wasting food costs the average household £480 a year, rising to £680 for a family with children, the equivalent of around £50 a month. Visit www.lovefoodhatewaste.com for information. They have some super tips.
