Christian Aid Week

Thank you to everyone who contributed to Christian Aid Week this year. We know of £455 that has been given, but this does not include any other contributions that were sent directly. Thanks again to all who have helped the world's poorest people. If you would still like to donate, then you can still do so at www.christianaid.org.uk/appeals/key-appeals/christian-aid-week.

Climate Justice and Christian Aid

As we have been concentrating on the Coronavirus crisis, the climate crisis has been continuing in the background. In order to ensure that the future after Covid is a greener and more just world, Christian Aid is mounting a campaign for a New Deal for Climate Justice. They have a petition that you can sign asking the government to consider steps to encourage a greener world. Please sign this at <https://christianaid.org.uk/campaigns/climate-change/climate-justice-petition>. If you haven't got internet access then please contact Ian Souter on 433251 for a paper copy.

This isn't just about petitions, there is also a need for prayer for a greener, more just world. Christian Aid are organising a prayer chain that started on Ash Wednesday and will last until the UN Climate Conference in 2021. This is 24/7 prayer and you can book a one-off slot or offer to take a regular slot in this worldwide prayer by going to <https://www.christianaid.org.uk/pray/prayer-chain>.

If you do sign or become a link in the prayer chain, could you let Ian Souter know as it would help Christian Aid to know how their promotion of this is going.

Swallow Café

The Cafe run by the charity Swallow (where Lizzie works) is now doing a take away service on a contact and collect basis.
